CLASS DESCRIPTIONS

Acro Jam: Playful practice that combines acrobatics and yoga. This is an unstructured class to work on things you would like to improve on or trade Thai Yoga Massage. More experienced people give beginners safety tips, advice, and skills to work on. No partner needed. Open mind necessary!

Back/Hip Yoga: Therapeutic style asana practice to support a healthy back and hip region followed by myofascial release work.

Flow + Restore: Powerful vinyasa style class with a focus in strengthening the entire body, ending with restorative/yin style poses to soak in the energy and heat created in the flow.

Gentle Flow: A gentle and calming practice that combines breath with movement.

Hatha Flow: A moderate paced practice that encompasses all types of physical yoga with focus on breath and alignment.

Hatha Yoga: A typically slower paced practice that encompasses all types of physical yoga.

Hip Hop: A high-energy class that infuses the latest styles of street dancing, breaking, popping, and locking. Hip hop is an ever-changing medium, and students will learn the most effective movements to stay abreast in modern trends.

Jazz Funk: Students will learn the fundamentals of jazz dance, such as isolations, flexibility, and balance. This high energy class is great for beginners, but will have more challenging movements for those more advanced – it's a great workout!

Restorative Yin Yoga- Rejuvenate physically and mentally with a practice that is restorative in nature yet allows for a deep release of connective tissue and unbalanced holding patterns.

Restorative Yoga (Easy Does It) : Find deep relaxation practicing gentle yoga poses using various props to support the body. This class is not about feeling a stretch, it is about reducing stress and restoring mind/body balance.

Let it Roll: Hatha Flow practice followed by foam roller and pinky balls.

Mat w. Pilatesstick: Intermediate core based class using classical mat exercises and the Pilatesstick to create long, lean muscles.

Senior Weights: Chair based resistance training program for the entire body. Great for beginners too!

Spinning: Group cycling class that uses different energy zones for a fun low impact cardio workout.

SpinFLEX: 30 minutes of cycling followed by 25 minutes of resistance training using barbells, dumbbells, and resistance tubing. Participants must show up a few minutes early to set up their weights in group fitness room prior to class start time on Spinning Floor.

TRX: Suspension Training using body weight and the TRX System for a fast and effective total body workout. Limited to 10.

Undo and Renew: Gentle yoga practice followed by Restorative poses.

Vinyasa Yoga: Increase strength, flexibility and balance while reducing stress and tension with with a highly energizing physical yoga practice.

Zumba: Latin-inspired cardio-dance workout that uses music and choreographed steps to form a fitness party atmosphere. While many of the types of dance and music featured in the program are Latin American inspired, classes can also contain everything from jazz to African beats to country to hip-hop and pop

Yoga Class Ratings

Level 1 (L1): Beginner Friendly– Practicing less than 1 year or practitioner is looking for a class that offers modifications for different body types. Class strives to embrace all backgrounds.

Level 2 (L2): Intermediate– Practicing at least 1-2 years. Poses are intermediate and held longer. Practitioner is expected to have a fundamental familiarity with basic postures as well as their body alignment and modify as needed. Newer poses introduced.

Level 3 (L3): Advanced– Practicing more than 2 years with a deep understanding of breath and body alignment. Poses are intermediate to advanced and can be very challenging in nature.

All Level (AL): Great for beginners through advanced practitioners.
