Come and learn the rich and influential history, proper execution, in-depth technique, and reasons behind each of the original styles of hip-hop, including Breakdancing, Popping/Animation, House, Locking, Whaacking, and Krump. Using these fundamentals, you will learn distinctive choreography that is fun and challenging for you, as well as engaging and inspiring to watch, while gathering the tools to create your own choreography if you so desire. In addition to fitness and skill, hip-hop is meant to bring each participant to a deeper understanding of music, and to a deeper understanding of self.
