The After School Program exists to offer children a space to play, be creative, grow, and have fun in a safe and welcoming environment. Children not participating in activities or disobeying the rules and regulations of the facility may be asked to leave. This program is for children 5 and up. Many kids under the age of 7 are not emotionally ready to handle the stimulation of the program and may need to go home with Mom or Dad if feeling a bit overwhelmed. All parents must have contact information with staff and be available for their child if staff calls.
