MARCH 2019

SKAGWAY RECREATION CENTER (SRC)

Popcorn Lover's Day March 14, 2019

Popcorn Lover's Day is celebrated every year on the second Thursday in March. While Popcorn is commonly eaten in movie theaters, this snack is also very easy to make at home (see recipe below). Usually it is served salted, but sweetened corn has become more and more popular throughout North America with versions, such as caramel corn and kettle corn available as well.

Here at the Rec Center we like to use organic kernels (non GMO), organic coconut oil, and pink Himalayan sea salt to make this snack as tasty and healthy as possible. We use a traditional carnival popcorn popper to make it fun and festive as well as readily available for our various events and parties! **Stop by the Rec Center on Thursday, March 14th for a taste and help us celebrate this festive day! Popcorn will be available from 1-7pm.**

If you can't make it and still want to indulge, here is a quick easy recipe to make some at home:

Ingredients:

- Brown paper lunch bag
- Microwave
- ½ to ¾ cup Popcorn Kernels
- Coconut or Olive Oil Cooking Spray
- Pink Himalayan Sea Salt

Directions:

1. Put popcorn kernels in brown paper lunch bag.
2. Fold the bag closed at the top a couple of times making sure you leave plenty of room for the kernels to pop.
3. Microwave on high for 3-3 ½ minutes or until you hear the popping of the corn slow down.
4. Remove from microwave and spray either coconut oil or olive oil cooking spray into the bag and salt to taste.
5. Close the bag, shake and enjoy!

Are you looking for a fun, therapeutic, stress-relieving way to be creative but think you have no artistic talent? Then acrylic pouring may be your next new hobby!

Join Skagway Recreation Center staff learning the most basic techniques of Acrylic Pouring and take home 4 beautiful handmade cold beverage coasters created by you.... to keep for yourself or give as a gift.

Sign Up Required. For ages 14+
Limited to 6 participants per class

COST: \$35 per person

March 27 & 28—2pm-4pm
