

## Yakutania-NEW TRAIL- Smuggler's Cove Loop de Loop Challenge Map

The YELLOW ARROWS show the route and must be completed 4X per week. Start at the footbridge and make a left toward the point. Just before the stone staircase make a right to head up NEW TRAIL. Follow this trail and it will pop you out on the Yakutania Service Road. Make a right to head down the road back toward the point. Turn right again but now this time pass the new trail head and take the stone staircase to Smuggler's Cove. Keep going up the Cove Service Road and continue your way back down and out through Pet Cemetery. This is a self-timed event and on your honor.
